Sport Slam Rigger

The Sport Slam Rigger operates from above the top and features multiple locking positions for fishing. A convenient lay-down position offers safe navigation under bridges, and for trailering and storage. Designed for standard 1 1/2" ID, 8' and 12' center rigger poles.

Mounts to Outrigger Ready Tops or with TACO Clamp-On Mounting Plates

- Center Rigger for hard tops
- Adjusts & locks-in desired fishing angle
- Outriggers lock in place
- Lay-down position prevents outrigger damage when navigating under bridges or trailering
