## REVERE Coastal Compact™ Life raft

Ideal for coastal boaters, the Coastal Compact bridges the gap between the lifejacket and a full-feature life raft – offering those traveling alone the smallest, lightest and most inexpensive raft available today. With double 200 lb. SuperRev™ ballast pockets, the Coastal Compact enhances stability in rough sea conditions. Its light weight allows for easy deployment and the compact size makes stowage easy in the smallest of spaces.

**Coastal Compact is not recommended for offshore use.**
