ANCHORLIFT® Anchor Rodes DB 18 Plait

- Super soft space saving chain/rope combo
- Galvanized chain
- DB rope white/black

NEW

No.	Description	OUR PRICE
ALF DB12150	15ft 1/4" Chain + 150 ft 1/2" DB Rope	\$219.99
ALF DB12200	15ft 1/4" Chain + 200 ft 1/2" DB Rope	\$259.99

LEWMAR® Anchor Rodes

All rodes feature ACCO Hi-Test, hot-dipped galvanized chain for improved strength and weight savings, and the 3-strand nylon twist is chemically treated to remain flexible after constant exposure to salt water and sun. A special tapered splice allows smooth transition from rope to chain.

Rode size: 1/4", Chain type: G4, Rope size: 1/2".

LEWMAR® Delta Fast-Set Anchors

Self-launching and fast-setting for quick anchoring without dragging. Designed to snugly fit a bow roller, the Delta can be dropped and retrieved without handling the anchor itself. Carefully engineered weight distribution and apex ballasting allows the Delta to start setting right when it hits bottom. Accommodates all chain and rope end fittings.
