

# PAINTS & SUNDRIES

## EPIFANES<sup>®</sup> Gloss Varnish

Outstanding – exceptional – highest quality: all are used to describe our Dutch varnish, giving it the reputation for being the best in the world. This marine spar varnish is manufactured with a long base of Chinese tung oil combined with non-yellowing alkyd and urethane resins and blended with a perfect balance of U.V. inhibitors. Used and tested in the Caribbean for over 25 years. EPIFANES has proved to last two to three times longer than its best competition.

## PETIT Simply better. Zinc Coat Barnacle Barrier

This product is for use only on bare metals such as steel, stainless steel, cast iron, copper, bronze, galvanized steel and lead. It forms an excellent adhesive bond to underwater metals and running gear and inhibits corrosion on these surfaces. Because of its smooth, hard surface it will self-clean in service. Do not apply antifouling paint over Zinc Coat.

No. PET 1792SP

our price  
**\$24.99**

## 3M SCOTCH 2090 Blue Painter's Tape

Removes cleanly without adhesive transfer for up to 14 days, even in direct sunlight. It is a medium adhesion tape that is ideal for painted walls and trim, woodwork, glass and metal.
